

**NUMBER:** 23-016-05

**GROUP:** Body

**DATE:** March 9, 2005

*This bulletin is supplied as technical information only and is not an authorization for repair. No part of this publication may be reproduced, stored in a retrieval system, or transmitted, in any form or by any means, electronic, mechanical, photocopying, or otherwise, without written permission of DaimlerChrysler Corporation.*

**SUBJECT:**

Center Console Cup Holder/Storage Bin Exchange

**OVERVIEW:**

This bulletin involves replacing a cup holder with a storage bin at the customer's option.

**MODELS:**

2004 - 2005 (ZH) Crossfire Coupe/Crossfire Roadster

**SYMPTOM/CONDITION:**

The customer may notice that the cup holder is broken or inoperative.

**DIAGNOSIS:**

If the cup holder is broken or inoperative and the customer wants another cup holder, this bulletin does not apply. If the cup holder is broken or inoperative and the customer would like a storage bin in place of the cup holder, perform the Repair Procedure.

**PARTS REQUIRED:**

Qty.	Part No.	Description
1	1BQ12XDVAA	Bin, Storage

**SPECIAL TOOLS/EQUIPMENT REQUIRED:**
